

A POWERFUL PARTNERSHIP FOR CLIENTS

GRANITE FINANCIAL PARTNERS & NFP SECURITIES, INC.

As a client, you become the beneficiary of a powerful national partnership through our relationship with NFP Securities, Inc. Through this partnership, we tap into a large intellectual capital network of wealth management to bring you advanced strategies and solutions.

NFP Securities, Inc. (NFPSI) is one of the nations leading independent broker/dealers.* NFP Securities, Inc. is a wholly owned subsidiary of National Financial Partners Corp., (NFP) a publicly traded firm on the NYSE.

NFPSI provides a dedication to account service, cutting edge technology, and open access to the leading manufacturers of financial solutions and products so that we can bring our clients customized advanced wealth management strategies with a level of service that is unique in the financial services industry.

As your advisors, we take an all-encompassing approach to your planning needs. We are not aligned with any proprietary products or services. Our independence, experience, education and the combined partnership with NFP Securities, Inc. allow us to offer you the personalized and customized attention and solutions of a small firm, the strength and experience of a nationwide network of professionals, and the resources, technology and oversight of a recognized broker/dealer. That is truly a powerful partnership for you!
